1. Executive Summary

This report provides an intelligent, evidence-grounded readiness evaluation for NAAC Criterion 1 (Curricular Aspects). It evaluates institutional evidence across four sub-criteria: Curriculum Design & Development (1.1), Academic Flexibility (1.2), Curriculum Enrichment (1.3), and Feedback System (1.4). Final accreditation decisions remain under authorized human leadership authority.
Disclaimer: This is an AI-assisted internal institutional assessment report. It is not an official NAAC score or official NAAC submission.

2. CampusInsight AI Criterion 1 Readiness Index

CampusInsight AI Criterion 1 Readiness Index: 68.5%

- Transparent Score Formula Input Components:**
- Completeness (Weight: 35%):** 80.0% (Required checklist verification)
 - Relevance (Weight: 25%):** 89.0% (Semantic evidence alignment)
 - Human Validation (Weight: 20%):** 0.0% (Current Workflow Status: Pending HOD Validation)
 - Document Quality (Weight: 10%):** 95.0% (Text extraction & OCR clarity)
 - Consistency (Weight: 10%):** 88.0% (Cross-document data integrity)

Weighted Calculation Step-by-Step:
 $(0.35 \times 80.0) + (0.25 \times 89.0) + (0.20 \times 0.0) + (0.10 \times 95.0) + (0.10 \times 88.0) = 68.5\%$
Note: Internal institutional indicator calculated dynamically from current document state — Not an official NAAC score.

3. Criterion 1 Overview & Sub-Criteria Performance

Sub-Criterion	Title	Readiness Index (%)	Assessment Basis & Scope Status
1.1	Curriculum Design and Development	44.7%	Needs Improvement
1.2	Academic Flexibility	44.2%*	Not assessed in current Sub-Criterion 1.1 document analysis
1.3	Curriculum Enrichment	44.0%*	Not assessed in current Sub-Criterion 1.1 document analysis
1.4	Feedback System	94.1%*	Not assessed in current Sub-Criterion 1.1 document analysis

**Note: Current document analysis scope is Sub-Criterion 1.1. Scores for 1.2, 1.3, and 1.4 represent existing system-level portfolio indicators.*

4. 1.1 Curriculum Design & Development Analysis

Evaluates PO-CO alignment, Board of Studies resolutions, syllabus revisions, and Academic Council ratifications.

5. 1.2 Academic Flexibility Analysis

Evaluates Choice Based Credit System (CBCS), elective options across programs, and multi-disciplinary course structures (Existing System-Level Indicator).

6. 1.3 Curriculum Enrichment Analysis

Assesses value-added courses (30+ hours), experiential learning integration (projects/internships), and institutional ethics courses (Existing System-Level Indicator).

7. 1.4 Feedback System Analysis

Reviews 4-stakeholder feedback collection, analysis, Action Taken Reports, and public website disclosure (Existing System-Level Indicator).

8. Evidence Matrix Overview & Mutually Exclusive Classification

Total Required Evidence Checkpoints: 52

- **Found (Verified):** 43
- **Partially Verified (Reported in SSR):** 7
- **Missing from Uploaded Evidence:** 2
- **Conflicting Data:** 0

Headline Reconciled Sum: 43 + 7 + 2 + 0 = 52 Required Evidence Checkpoints

9. Missing Evidence & Partial Compliance Breakdown

Faculty Guidance: The system scans uploaded institutional files against official NAAC required evidence checklists. Items marked as *Partially Verified* represent practices explicitly reported in document text whose underlying signed supporting files (e.g. spreadsheets, BOS minutes) require verification in the institutional repository before peer-team audit.

10. Identified Criterion Gaps & Faculty Action Guide

Why This Section Matters to Faculty: Distinguishes reported institutional practices from unverified supporting files. A practice explicitly reported in the SSR is NOT classified as missing.

Sub-Crit & Severity	Gap / Verification Title	Claim vs Supporting Doc Status & Recommended Action
---------------------	--------------------------	---

Sub-1.1 MEDIUM	CO-PO Attainment Calculation Evidence — Verification Required	Finding: While PO-CO alignment matrices are present in syllabus copies, automated direct/indirect attainment calculation spreadsheets for 2023-24 are unverified. Institutional Claim: FOUND Supporting Document: NOT_VERIFIED Required Evidence Document: CO-PO Attainment Summary Reports 2023-24 Action Steps: Upload course outcome attainment reports signed by Course Coordinators and HOD.
Sub-1.1 MEDIUM	Unverified Curriculum Revision Minutes	Finding: Lack of formal Board of Studies (BOS) minutes detailing percentage of curriculum revised within last 5 years. Institutional Claim: FOUND Supporting Document: NOT_VERIFIED Required Evidence Document: Board of Studies (BOS) Minutes of Meeting Action Steps: Upload signed Academic Council & BOS minutes validating syllabus updates.
Sub-1.1 MEDIUM	PO-PSO-CO Articulation Matrix — Verification Required	Finding: The SSR reports that Course Outcomes (CO) are mapped to Programme Outcomes (PO) and Programme Specific Outcomes (PSO). The reported practice is therefore not classified as missing. However, the underlying approved/signed mapping matrix should be verified as supporting evidence for peer-team audit readiness. Institutional Claim: FOUND Supporting Document: NOT_VERIFIED Required Evidence Document: Approved/Signed Department CO-PO-PSO Articulation Matrix Action Steps: Verify and upload the approved/signed CO-PO-PSO articulation matrix if it is not already available in the institutional evidence repository.

11. AI Recommendations & Priority Action Plan

A. Evidence-Based Recommendations (Derived from Document Analysis):

• [High] Recommendation: Verify CO-PO Attainment Documentation (Sub-1.1):

- **Finding:**
- **Institutional Claim Status:** **FOUND** | **Supporting Document Status:** **NOT_VERIFIED**
- **Evidence Status:** NOT_VERIFIED | **Confidence:** 94%
- **Source Document:** naac-ssr-2024.pdf (Document ID: #20) | **Source Page:** Not directly attributable
- **Gap / Risk:** None
- **Recommended Action:**
- **Required Evidence Document:** None
- **Responsible Role:** Faculty / HOD
- **Priority:** High | **Priority Reason:** Supporting evidence for a key Criterion requirement could not be independently verified and may affect audit readiness.

• [Medium] Targeted Improvement: Unverified Curriculum Revision Minutes (Sub-1.1):

- **Finding:**
- **Institutional Claim Status:** **FOUND** | **Supporting Document Status:** **NOT_VERIFIED**
- **Evidence Status:** NOT_VERIFIED | **Confidence:** 94%
- **Source Document:** naac-ssr-2024.pdf (Document ID: #20) | **Source Page:** Not directly attributable
- **Gap / Risk:** None
- **Recommended Action:**
- **Required Evidence Document:** None
- **Responsible Role:** Faculty / HOD
- **Priority:** Medium | **Priority Reason:** The institutional practice is reported, but supporting documentation requires verification.

- **Finding:**
- **Institutional Claim Status:** **FOUND** | **Supporting Document Status:** **NOT_VERIFIED**
- **Evidence Status:** PARTIALLY_VERIFIED | **Confidence:** 94%

- **Source Document:** naac-ssr-2024.pdf (Document ID: #20) | **Source Page:** Page 32
- **Gap / Risk:** 1. SSR explicitly reports CO-PO-PSO mapping and attainment process. 2. Practice is reported, not missing. 3. Verification of signed underlying matrix recommended for peer-team audit readiness.
- **Recommended Action:**
- **Required Evidence Document:** Approved/Signed Department CO-PO-PSO Articulation Matrix
- **Responsible Role:** Faculty / HOD
- **Priority:** Medium | **Priority Reason:** The institutional practice is reported, but supporting documentation requires verification for 100% audit readiness.
