

DUMMY SELF STUDY REPORT (SSR)

For Testing CampusInsight AI – NAAC Document Analysis

NOTE: Fictional sample for software testing and demonstration only. Not an official NAAC submission.

Institutional Profile

Institution Name	Green Valley Institute of Technology (Fictional)
Institution Type	Self-Financing Engineering College
Location	Kerala, India
Academic Year	2025–2026
Programmes Offered	B.Tech, M.Tech, MBA
Total Students	1,860
Total Faculty	126

Criterion 1 – Curricular Aspects

The institution follows the curriculum prescribed by the affiliating university and implements academic planning through departmental committees. Departments prepare course plans, lesson plans, academic calendars, and outcome mapping documents.

1.1 Curriculum Planning and Implementation

The institution prepares an academic calendar before the commencement of each academic year. Departments prepare course plans based on the university syllabus.

- Academic calendar prepared for each academic year.
- Department-level course plans maintained.
- Lesson plans prepared by faculty members.
- Internal academic review meetings conducted periodically.

1.2 Academic Flexibility

Students are provided opportunities to select elective courses and participate in value-added and skill-oriented programmes.

- Professional elective courses offered.
- Open electives available subject to university regulations.
- Value-added courses conducted.
- Emerging-technology workshops conducted.

1.3 Curriculum Enrichment

Curriculum enrichment is supported through seminars, workshops, industrial visits, internships, project-based learning, and awareness programmes.

- 42 students completed internships.
- 18 workshops and seminars were conducted.
- 6 industrial visits were organized.
- Environmental awareness programmes were conducted.

1.4 Feedback System

Feedback from students, teachers, alumni, and employers is collected periodically and analysed for improvement.

- Student feedback collected each semester.
- Alumni feedback collected online.
- Employer feedback collected for selected programmes.
- Action Taken Reports maintained.

Sample Quantitative Data

Metric	2023–24	2024–25	2025–26
Value-added courses	8	11	14
Student internships	31	37	42
Workshops/seminars	12	15	18
Industrial visits	4	5	6
Feedback response rate	72%	79%	84%

Documents / Evidence Available

- Academic Calendar 2025–26
- Department Course Plans
- Lesson Plans
- Value-Added Course Certificates
- Workshop and Seminar Reports
- Industrial Visit Reports
- Student Internship Records
- Feedback Analysis Report
- Action Taken Report
- Department Meeting Minutes

Identified Strengths

- Regular academic planning and monitoring.
- Increasing participation in value-added courses.
- Growing number of internships and workshops.
- Feedback collected from multiple stakeholders.

Areas for Improvement

- Increase internship participation.
- Improve documentation consistency.
- Increase employer participation in curriculum feedback.
- Centralize evidence documents.

Declaration

This is a fictional SSR sample prepared for testing an AI-based document analysis application. All names, figures, statements, and evidence references are synthetic.
